

# Illuminated Mirror

Fuji Square  
40W

## FUJI 0566 SQUARE

40W  
Quicklink: Q1F99

### General

Cap	T9
Colour	Chrome
Construction	Steel / Glass
IP Rating	IP44
Weight	8kg

### Dimensions

Depth	55mm
Height	550mm
Width	550mm

### Electrical

Maximum Wattage	40W
Voltage	240V

The **Fuji Square** mirror light provides a nice diffused ambient light to surrounding walls whilst reducing shadows on the mirror surface. A depth of only 55mm reduces its impact and ensures greater flexibility in small or narrow bathrooms. A 40W fluorescent lamp is incorporated into the fitting, providing sufficient light for tasks such as shaving whilst also meeting the requirements of Part L building regulations on the conservation of power.

This fitting is IP44 rated, allowing for location in bathroom zone 2 (see technical tab). Constructed from steel and glass. An integral electronic ballast and pull cord on the base are included for easy switching. A 40W T9 fluorescent lamp is included. This fitting is not dimming compatible. More mirror sizes are available in this design. A *Magnifying Mirror Attachment* can be purchased separately and installed onto this product.
