Colour	Chrome
Construction	Plastic
IP Rating	IP21

Dimensions

Depth	50mm
Height	92mm
Width	480mm

Electrical

Maximum Wattage	11W
Voltage	240V

The **Elite Pull Cord & Shaver Socket** mirror and shaverlight is ideal for use in the bathroom as a secondary light source. A pull cord on the left allows easy switching to turn the fitting on and off, while a slide door on the right conceals a dual voltage shaver socket within.

Please note that due to the IP21 rating, this fitting must not be installed in bathroom zones 0, 1 and 2 (please see technical tab). The fitting comes complete with an 11W G23 Lynx-S compact fluorescent lamp for improved energy efficiency. Push plate with shaver socket and push plate only versions are also available.
