The **Gojo Bar** uses clear glass to create beautiful styling and lighting effects whilst also maintaining the full flexibility of an adjustable spotlight. It can also be used in bathrooms and wetrooms.

This fitting is IP44 rated, allowing for location in bathroom zone 2 (see technical tab). Constructed from steel and glass and finished in polished chrome. This fitting is low voltage with a transformer built into the base. It can be dimmed if necessary. Triple and single spot versions of this product are also available.
