PVC Transparent Round Flex Cable is ideal for connection of pendants and desk lamps where the flex needs to be hidden as much as possible. The green and yellow cores are solid colours, with the remaining core cable and jacket transparent. Suitable only for location indoors and connection to mains power.

This product is priced per metre and cut to order, please order the relevant number of metres required. To buy a 100 metre reel please add 100 to the quantity. The cable weight is 4.1kg/100m.

Please Note: Once cable is cut cannot be returned.
