Construction	Steel / Glass
IP Rating	IP20

Dimensions

Depth	163mm
Height	241mm
Width	110mm

Electrical

Maximum Wattage	60W
Voltage	240V

The **Flow Wall** is precision engineered to ensure that the glass surface is in a geometrical pattern to produce multiple facets that reflect the internal light, creating a beautiful sparkling effect.

The shade diffuser is constructed from 24% lead glass to produce the unique effect. The fitting is completed with chrome detailing and a chrome effect base and arm. A 60W G9 mains voltage capsule lamp is available separately.

Matching pendant fittings in three different sizes are also available.
