Dimensions

Cut Out	23mm (Diameter)
Length	90mm
Minimum Ceiling	70mm
Depth	
Width	29mm

Electrical

Amperage	350mA
Maximum Wattage	3W

Light Characteristics

Beam Angle	15°
Lumens	107 lm
Lumens Per Watt	36 lm/W

The **Crystal Ice Button RGB** is a decorative LED downlight made from cut glass with a chrome finish base. When illuminated the different facets cast a pattern of light back on to the surface into which the downlight is recessed. The result is a stylish and elegant lighting effect.

The fitting comes with a ceiling spring for fixing into plaster board. A burial tube is supplied for recessing into more solid material, such as brick or concrete.

When used in conjunction with our Wise Chameleon pack, the fittings can be controlled wirelessly via a remote control or switch.

A total of 6 of these fittings can be controlled from one Wise Chameleon receiver, if more than 6 fittings are required, simply add a slave chameleon pack to allow for an extra 6 fittings. An unlimited number of Chameleon Slave 350mA 21W packs can be used with a Chameleon Master 350mA 21W pack.
