### Dimensions

Length                    60mm  
Width                     25mm

### Electrical

Amperage                1A

The **Wired Bell Push** is a surface mounted classicly styled doorbell ideal for any home. To operate the bell push a Chime is required which is either transformer or battery operated. To operate the bell push please see options below.

### Wiring Options

#### Option 1: Transformer Operated

Choosing a transformer removes the need for ever needing to change batteries. Select a bell/chime that is designed to work with a transformer.

#### Option 2: Battery Operated

This option requires the chime you choose to be battery operated.
