| Lumens Per Watt        | 70 lm/W          |

The **LED Blade** is a recessed light that is used in walls. It has a waterproof rating of IP65, and a beam angle of 5°.

Constructed from high quality aluminium supplied with a 3 Watt warm white LED. A box is included and must be used with this fitting to allow easy burial and wiring.

A LED driver is built into the fitting, simply wire to mains supply.

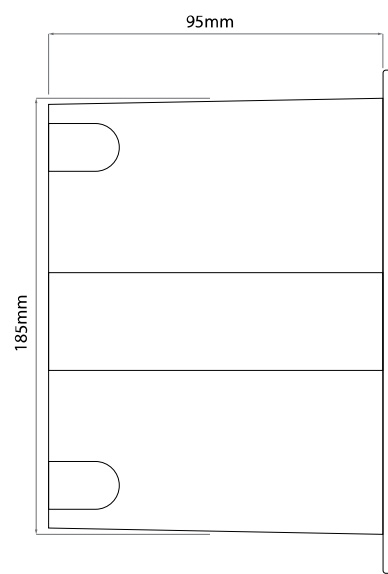

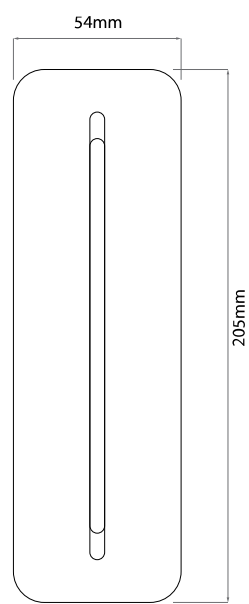

**Please Note:** To install this product into plastered walls you need to remove the attached box
